Subject: Opposition to Ottawa County Landfill, Inc. draft permit numbers MI-139-1I-0007 and MI-139-1I-0008
Date: Sunday, January 03, 2021 12:56:08 PM

Dear Sir,

I am adamantly opposed to approving these permits. The company has demonstrated that it's not trustworthy, especially around our drinking water. EPA recently fined Gaylord company Paxton Resources \$73,000 for poor record-keeping and pressure monitoring over a two-year period on several wells in northern Michigan.

Please do not approve these permits.
